## Cantiere del Pardo Week, an unique experience in Portopiccolo

**Cantiere del Pardo:** the whole fleet gathered in Portopiccolo. The three brands of the shipyard are the protagonists: Grand Soleil Yachts, Grand Soleil Custom and Pardo Yachts. Cantiere del Pardo is pleased to announce the first edition of Cantiere del Pardo Week. A week (from 11 to 19 May 2019) during which all models of sailing and motor boats from the historic shipyard of Forlì will be on display to the public in the marina of Portopiccolo. **celebreMagazine** is very honoured to be Media Partner of this exclusive event.

For over forty-five years, in fact, the Cantiere del Pardo has been one of the **most prestigious and appreciated companies** for the production of luxury yachts, with **over 4500 boats** produced to date. The history of the Cantiere del Pardo **began in Bologna in 1973** with the visionary aim of producing standard racing boats with high quality standards combined with an elegant and innovative design. A few years ago, the shipyard began a process of adaptation to the new trends and needs of the market.

Cantiere del Pardo today has three brands, **Grand Soleil Yachts** for the construction of sailboats up to 18 meters, **Pardo Yachts** brand of motor boats founded in 2016 and now already recognized as a market leader in its segment and **Grand Soleil Custom** for the construction of custom sailboats from 18 to 24 meters.

From 11 May, for a week, enthusiasts will have the unique opportunity to see all the models of the three ranges of the Shipyard: Pardo Yachts, Grand Soleil Yachts and Grand Soleil Custom Line lined up side by side. But not only that. This week full of events will end, Saturday 18 and Sunday 19 May, with the Grand Soleil Cup, two days of racing dedicated to all Grand Soleil enthusiasts who will reach Portopiccino from all over the world to participate in the race. The Grand Soleil Cup is **the most popular event** of the year signed **Cantiere del Pardo**, a real party that includes two days of intense racing, competition and fun.

**Portopiccolo, located in the Gulf of Trieste**, is the ideal location for the Pardo Week site. An elegant seaside village, completely eco-sustainable and surrounded by the Nature Reserve of the Duino Cliffs, Portopiccolo is one of the real estate projects, dedicated to the most contemporary hospitality of recent times. A place that identifies itself in an embrace of life, born from a place of abandonment, an abandoned quarry of karst stone. In one of the most beautiful bays in the Northern Adriatic, just a few minutes drive from Trieste, Portopiccolo and its Yacht Club are recognized for the excellence of a place, where sailing, sports and passion for the sea live spontaneously.
